THE BRITISH VIRGIN ISLANDS

WHERE ARE WE GOING?

The beauty and easy sailing of the British Virgin Islands account for their popularity among yachtsmen from around the world. Air access to this paradise is simple with flights from both Ottawa and Toronto to Beef Island or nearby St. Thomas. With transfers we will be able to deliver you to Sunsail's base at Wickhams Cay in Road Town, Tortolla. This is where you will start your vacation in paradise. Your adventure will start with a good night's sleep aboard the boats. The following morning we will complete our provisioning, attend a short chart briefing and have a boat orientation.

WHERE ARE WE SAILING?

Most of the cruising activity takes place in an area about 30 miles long and just half of that in width, extending from Jost Van Dyke to Virgin Gorda. The prevailing winds are steady from an easterly direction. The water is clean and clear with the bottom visible to as much as 50 feet below. Beautiful fish and coral can be seen anywhere while snorkelling.

WHAT ELSE CAN WE DO?

Among the most popular stops in the B.V.I.s are the Baths at Virgin Gorda, whose boulder-formed caves shelter private swimming grottoes. The Bight and caves on Norman Island are described in Robert Louis Stevenson's "Treasure Island" - a likely setting considering the wrecks and pirates in these islands' history. Casual 'beachy' sand floor restaurants, bars and readily available night life are all just a quick dingy ride to shore. These waterfront establishments always make you feel welcome when you come ashore. The view of the sunset while anchored at Anegada, a boisterous dinner at Foxy's at Jost Van Dyke, and a visit to the Bitter End after a sail in the Gorda Sound will all be a part of your fun-filled itinerary. For those who scuba dive, there will be an opportunity to dive on the "wreck of the Rhone" at Salt Island. After 10 days of sailing, you will be back at Wickhams Cay in time to pack up, catch our return flights and be filled with lasting memories of your B.V.I cruising adventures.
