

Yacht charter costs explained

Vacation Courses

A yacht will have the basic charter rate fee but like hiring a car, there are additional mandatory costs.

MANDATORY YACHT CHARTER COSTS INCLUDED IN YOUR COURSE:

1. Refundable security deposit or damage waiver

All yachts require a security deposit (paid by Advantage Boating) and a damage waiver payment (paid by Advantage Boating) to insure yacht while on charter. A refundable security deposit is authorized by credit card or left in cash upon arrival at the base. The amount (\$600 USD) represents the maximum deductible and any damage to the yacht will be deducted up to the total amount authorised. A damage waiver is a non-refundable charge based on a daily amount. It is charged even if no damages occur to the yacht, however it offers piece of mind that even if the yacht incurs significant damage, you will only incur the cost up to the maximum of the security deposit. In the event there is a damage claim made against the boat (by the charter company), the security deposit will not be refunded, and the amount owing will be divided equally between the students onboard and made payable to Advantage Boating within 2 weeks of the completion of the course.

2. End cleaning, starter pack and handling fees

These are one-time mandatory fees. The mandatory starter pack includes some basic supplies to get you started on your charter. These fees are included in your course pricing.

3. Fuel

Your boat will have a full tank of fuel. Upon arrival back at the base at the end of your course the boat will need to be refilled with fuel. This cost is covered in your course pricing.

4. Water

Water tanks on your yacht will be full upon arrival but you will have the opportunity to fill your tanks along the way should you require more. Any costs incurred during your course to refill the water tanks will be divided evenly between each student on board. You can return the yacht with empty tanks.

5. Tourist tax or cruising tax

This is a tax per person normally added in Croatia and Caribbean destinations. It is normally paid upon arrival at the base or in some instances paid in advance. These fees are covered in your course pricing.

EXTRA COSTS NOT INCLUDED IN THE COST OF YOUR COURSE:

Provisioning & Boat Kitty

You will be provided a budget (per person) for split provisions, which will include 6 breakfasts, 6 lunches, 3 dinners, drinking water and miscellaneous items such as cleaning supplies, food condiments such as salt and pepper.

Meals ashore, alcohol and costs of provisions above the budget are not included. In general, most marinas offer mini markets or larger supermarkets nearby. In some cases it is possible to pre-order some or all of your provisions. We will provide full provisioning details at the pre-departure meeting for your course.

Boat Kitty starts with each person on board contributing ~\$50 USD which covers items such as:

- Ice
- Garbage removal
- Fresh water tank refills
- Mooring fees
- Additional groceries

Mooring and anchoring

In the Caribbean, mooring is generally by mooring ball, anchor or at a marina facility. Mooring ball & docking fees will be divided evenly between each student on board.

Other items not included in the cost of your course:

- Provisioning costs above your split provisioning budget
- Flights and transfers
- Any land excursions, hotels, transport, car hire and meals ashore
- Cancellation and medical insurance
- Boat Kitty

YACHT INVENTORY:

What is included will vary per yacht but as a guide a charter yacht will include: dinghy, full cruising area charts and cruising guide or pilot book, navigational equipment (binoculars, hand bearing compass and course plotting equipment), initial full tank of water, fuel and cooking gas, VHF radio, autopilot, electric anchor windlass, wind instruments, furling or battened mainsail, furling genoa sail, galley equipment (cooking and eating utensils), standard safety equipment (navigational and first aid), hot water, bed linen, FM radio, CD player, dodger and bimini for shade, berthing fees at home port.
